

RECYCLE AND REUSE...OR BURN?

Consider an *Alternative Plan* to an Incinerator
April 7th, 7:00 – 8:00 PM

*Presentation on the Alternative Plan
by the Solid Waste Analysis Group*

Nationwide trends show industry and government working to reduce packaging and increase recycling rates. More recyclable products means less trash to burn!

Diversion and Recycling Saves Energy

Why pay for a \$350 million WTE incinerator, import trash, and create 400+ tons of ash every day?

Consider an *Alternative Plan* that promotes a comprehensive Resource Recovery Complex and is funded and operated by private industry - minimizing financial burden on citizens. **Come to hear the presentation - and bring a friend.**

Where: C Burr Artz Public Library - Community Room

When: Monday, April 7th, 7:00 – 8:00 PM (final presentation; decision on incinerator for Frederick County is pending)
